

Informazioni Personali

ALBERTA CAPPELLI

Email

Aziendale: alberta.cappelli@aosp.bo.it

Data di nascita: 10/ 4/ 1975

Esperienza Lavorativa

Data (da - a)

6/ 2007 - In corso

Principali mansioni e responsabilità

Deep knowledge of technical and methodological skills in Diagnostic and Interventional Radiology applied to the different organs and diseases (particularly in oncology and liver)
Cardiovascular and Interventional Radiology CT/US guided interventions
Percutaneous Biliary & Urinary interventions PTA and stents Vascular embolizations Fibroids embolizations
Percutaneous and Vascular procedures in Oncology Emergency radiology
Conventional Radiology Diagnostic MR and CT, mainly applied to the following topics: Liver Transplantation
Inflammatory Bowel Diseases Liver neoplasms and diffuse hepatic diseases
Pancreatitis and pancreatic neoplasms
Rectal neoplasms

Data (da - a)

6/ 2007 - In corso

Nome e Indirizzo del datore di lavoro

Policlinico di S.Orsola

Tipo Impiego

Specialista in radiologia Diagnostica ed interventistica

Principali mansioni e responsabilità

Specialist degree in Diagnostic Radiology cum laude University of Bologna, Italy MD degree cum laude University of Bologna, Italy High School Diploma from the Benedetto Rosetti Scientific High School, San Benedetto del Tronto(AP), Italy June 2007 - present
Medical Doctor - Staff member (Interventional Radiology) of the Radiology Unit Malpighi of the S.Orsola-Malpighi Hospital of Bologna Azienda Ospedaliero-Universitaria di Bologna, Italy - Assistance, teaching and research activities in Diagnostic and Interventional Radiology - High Specialization in Diagnostics and Hepato-Biliopancreatic Interventional in Oncology January 2005 -June 2007 2004
2005 EDUCATION AND TRAINING
Medical Doctor - Professional Free Contract Azienda Ospedaliero-Universitaria di Bologna, Italy - Specialized performance of Diagnostic and Interventional Radiology. Research fellow in Diagnostic and Interventional Radiology of the Radiology Unit Service d'Imagerie Thoracique Hopital Calmette de Lille, France

Istruzione e Formazione

Data (da - a)

6/ 2007 - /

Qualifica conseguita

Author of more than 600 publications (chapter of books, papers on indexed international journals - Pubmed, Embases, Scopus - abstract and poster) in the following fields: vascular and extra-vascular interventional radiology, chest radiology, gastrointestinal and liver disease imaging, oncologic imaging, liver transplant imaging, colorectal and adrenal imaging. h-index: 17 Citations: 836 total citations by 731 documents Co-authors:170 Author ID: 21933863300
<http://orcid.org/0000-0003-1142-3917>

Competenze Personali

Lingua Madre

italiano

Competenze comunicative

Excellent communication skills gained through my experience in participating multidisciplinary National and International working teams (such as the Blog: Bologna Liver Oncology Group, ENRY 90 working group, Precision Italia Working Group, Yes-P, ITALICA etc..)

Good command of Microsoft Office™ tools (Word, Powerpoint etc.), Photoshop and Apple tools (Osirix, I-movie, I-photo).

Deep knowledge of Informatics in Radiology (RIS-PACS and CAD system)

Competenze Organizzative e Gestionali

Active participations with invited lectures or moderations in 260 National and International Conferences and Courses.

Projects Since 2007 she promoted or collaborated to several multicenter national or international research trial:

- The BLOG (Bologna Liver Oncology Group)

- ENRY 90 (European Network on Radioembolization Y-90) for the treatment of Hepatocellular carcinoma

- Precision Italia research group on chemoembolization of Hepatocellular carcinoma (RAD01, EudraCT 2006-003034-15: Clinical trials.gov n. NCT00936689)

- Yes-P Clinical Trial (TS-104) An open-label, prospective, multicenter, randomized, Phase III clinical trial evaluating yttrium-90 transarterialradioembolization (TheraSphere®) versus the standard of care (sorafenib) for the treatment of advanced hepatocellular carcinoma with portal vein thrombosis (PVT) / Clinical trials.gov n. NCT01887717

- ITALICA

Honours and awards

- Roma, Italy 27 May 2008. 7° Gianfranco Rosati best oral communication's award Interventional Radiology. "Transarterial chemoembolization in down-staging program for HCC prior to liver transplantation: the Bologna work-in-progress experience". A.Cappelli,

- New York, (U.S.A.) 3-6 May 2012. Best Poster Award Gest (Global Embolization Symposium and Technologies).

Altre Competenze

Appartenenza a Gruppi

2005-2011 Member of the SIRM (Italian Society of Medical Radiology) and the study sections of vascular and Interventional radiology (ICIR)

CIRSE (Cardiovascular and Interventional Society of Europe)

ESR (European Society of Radiology)

2005-2011: Member of the SITIO (Italian Society for Locoregional Integrated Therapies in Oncology)

Medical Surgical Society Archiginnasio of Bologna

2005-2011: Member of the Liver Transplantation Committee of the S. Orsola-Malpighi Hospital
