### Useful information

#### > Opening days and times

The STD CENTER is open every morning from Monday to Friday and access is regulated by the methods indicated below.

#### > Closing days and times

Every Saturday and public holiday (Sundays and weekday holidays including the 4th October holiday (Bologna's patron saint's day).

#### > How to access the sexually transmitted diseases (STD) clinic

The clinic is accessed from entrance E of pavilion 29 on the ground floor.  
Before entering the clinic, you must stop at room no. 17 to check in with a valid identity document and health card.  
For foreign citizens, a valid TEAM card is required, or STP card, or ENI card, or European card.

**Please note:** The services related to sexually transmitted diseases, including the first visit, **DO NOT require a medical prescription and are NOT subject to a ticket. It is possible to book only for oneself.**

The ticket must be paid by users who do not have health coverage or do not have up-to-date documentation.

**Online booking (booking method strongly recommended)**

From 17/10/2022, if you are assisted by the Emilia-Romagna Region, access to the STD clinic for the "SEXUALLY TRANSMITTED INFECTIONS VISIT" service can also be done by booking online through one of the following methods:

- By booking via your Electronic Health Record;
- By booking through the CUP-WEB booking system at [https://www.cupweb.it/cup\\_web\\_regionale/login.htm](https://www.cupweb.it/cup_web_regionale/login.htm)
- Booking via the app ER-Salute;

The "SEXUALLY TRANSMITTED INFECTIONS VISIT" service can be booked in BOOK - National Health Service and subsequently by entering the "Book public health services" section.

A medical referral is not required to book, but **you can book only for yourself**. The provision of the service does not involve payment of the ticket.

Booking availability is made available every 24 hours until all available places are filled.

**Direct access**

Direct access is allowed, for those who are unable to book online, by going to the reception desk, room 17 – entrance E, pavilion 29, ground floor, from 7:30 AM in order of arrival (**7 appointments available from Monday to Friday, except 4 appointments on Tuesday**).

Please note: priority in the outpatient clinic is given to: children, pregnant women, people with insulin- dependent diabetes, disabled people and hospitalised people sent from other departments of the Polyclinic or from other hospitals.

**> Collecting reports**

The test report will be collected by appointment provided by the clinic staff at the end of the first visit.

**> Rescheduling**

To reschedule a follow-up visit appointment, call no. 051 4206223 from Monday. to Friday 8.15–18.00
